

Dear friends

May 2024

Good morning... but for you it is good night! Sitting at my computer in Oklahoma watching the tornado alerts. (7 hours difference) We have a had a great week with my Dad (94 years old) and the family from all over the place... then we head to the western part of the USA. The stores are in capable hands and if there are questions I check everyday on our systems. Technology is a pain but does help when we are far away... In this newsletter you will find **FATHERS' DAY** books and gift ideas (page 2) -it is Sunday June 16th... we are sending this early so don't forget! **Mother's Day** is this month May 12th See last month's newsletter for **Mother's Day** products.... We can still courier them to you in time if you order now!
Praying for the **BIBLE CENTRE** stores and you our customers each day...

Blessings from **Danny & Staff** at the Bible Centre PM B
