

Dear friends

God willing this will be my last remote newsletter from the USA. Looking forward to making it home in mid August. We are currently in Indiana with a friend from SA. Had an interesting evening with a Swiss Amish family... no electricity... and a dozen barefoot children in the house... and they have 92 grandchildren. Sang and yodeled for us and the berry pies were sooo good! Note in the picture they now have to have license plates on the buggies.. Below are some nice fiction and Children's specials and new stationery. On Page 2 Key rings...Thanks for supporting the shops & staff while we have been away..

Blessings from Danny & Staff at the Bible Centre PM B
