

Dear friends

I am in my sister's house in Wisconsin USA while I write this. We rushed over to see my 96 year old father Ron Genheimer, a retired missionary who served in SA for over 50 years... Did not make it there in time, but led the funeral service and am now visiting with family. Vanessa's Mom (cascades store) also passed away this month. It is great to know that they are **Joyful** in God's presence... **at rest**... and their **hard work** follows them (Rev 14:12-14) I am thankful for Jo and the team there... we are in daily contact with any questions.
